Diffidence in Year 5000

-I haven't had sex in a hundred years.

-Uh huh. Well, you'll get around to it.

-I expect.

-Some of the new girl robots are cute.

-But the ones made by women have a bossy card!

-Bossy wouldn’t hurt you. You need some fiber.

-I had get-up-and-go around 4500.

-See? Not really that long ago.
